

FOUNDATION SCHOLARSHIPS

Funded by the generosity of the Alumni and Friends of ULM

Monroe-West Monroe Business & Professional Women Scholarship

2022-2023 Recipient: **Jordan Carter**

• **Message of Thanks**

I would like to take this opportunity to thank the Monroe- West Monroe Business and Professional Women's Organization. I am sincerely honored to have been a recipient of the Monroe- West Monroe Business and Professional Women's Organization scholarship. The financial assistance you've provided mitigated the burden associated with my school fees, books and supplies for a successful school year. This scholarship allowed me to focus solely on my studies and not stress about financial obligations. Thank you again for your generosity and support. Overall, this scholarship will help me accomplish my current goal and prayerfully become a successful professional in the Dental Hygiene field.

• **Personal Achievements, Career Interest(s) and Goals**

One of my accomplishments, I have had in the past semester occurred outside of the classroom. I was able to assist with Covid-19 immunizations and testing throughout the northern region of Louisiana. My passion is always service and serving others. I plan to continue serving while I pursue a degree in Dental Hygiene. After graduation, I plan to serve as a public health dental hygienist. I will educate and serve underrepresented neighborhoods and communities in concentrated poverty. My short term goals include completing some community service hours and absorbing all the information I can, as I start taking my dental hygiene courses this semester.
